tia® Viewer

tia® Viewer is the software application for viewing PDF and image documents in the Internet browser. It is operated and managed as a servlet within a web server runtime environment. Important annotations for everyday work can be easily added with the viewer.

At a glance

- Browser-based viewer with annotation function
- Supported formats: PDF, TIFF, JPEG
- Simple intergration into the existing SAP-landscape
- Two language versions (English and German) available in the standard version; other languages on request

Benefits

- No need to install anything on local workstations
- View documents either directly in the browser or in the SAP workspace
- Extensive annotation functions
- Annotations are stored in the archive as separate document component

Highlights

- Display PDF and image documents
- Multible configuration within one Servlet
- Customizing in the SAP central instance
- Call based on content repositories / used document type via overlay
- Annotations via overlay
- Can be used with any SAP ArchiveLink® certified archive system
- Authentication via e.g. Azure AD
- Integration Web-Outlook email dispatch

tia® Viewer

About kgs

KGS Software GmbH, headquartered in Neu-Isenburg near Frankfurt am Main, has been the digital archive specialist for top companies worldwide for over 20 years. Data and documents from SAP as well as documents from other leading applications are migrated and archived using high-performance, lean software.

Under the brand "tia®" - the intelligent archive - the archive manufacturer has been uniting all kgs product modules into a common vision of the intelligent document archive since 2020. tia® stands for autonomous archiving, is connectable to any applications, storage solutions and cloud technologies and offers companies the single point of truth (SPoT) for accessing documents. kgs has been certifying ArchiveLink® and ILM interfaces for SAP worldwide since 2005 and is a global SAP Value Added Solutions Partner. In addition, the tia® CMI interface 2022 was the first to be officially certified by SAP in the market.
